

Dear Friends,

We wish you a healthy and happy new year – we are excited about 2013 to continue our mission to promote a stronger relationship between Azerbaijan and the United States.

2012 was a very busy and prosperous year for us, highlighted by a series of successful events, including educational programs and our first cultural event gala dinner in Washington, DC.

In case you missed attending “A Night in Washington with Friends from Baku”, click on our logo for a short video of the evening’s action.

We look forward to seeing you in 2013 and working together to fulfill our important mission.

Thank you for your support.

Best wishes,  
Azerbaijan America Alliance
